B = Blindness, LV = Low Vision, D = Deaf, HH = Hard of Hearing, OA = One Arm, OL = One Leg, BL = Both Legs, OAL = One Arm & One Leg, CP = Cerebral Palsy, LC = Leprosy Cured, Dw = Dwarfism, AAV = Acid Attack Victims, SDD/SID = Spinal Deformity/Spinal Injury with associated Neurological / Limb dysfunction of respective Locomotor Disability (OA, BA, OL, BL, OAL) identified for the particular post, SD/SI = Spinal Deformity/Spinal Injury without any associated Neurological / Limb dysfunction, ASD (M) = Autism Spectrum Disorder (Mild), SLD = Specific Learning Disability, MD = Multiple Disabilities from amongst persons under Clauses (a) to (d) including deaf-blindness

### 3. QUALIFICATION REQUIREMENT:

3.1 The Qualification requirement for various posts of Design Trainee / Management Trainee is as under:

- Bachelor's Degree in Engineering / Technology or its equivalent. The qualification of Degree in Engineering / Technology here would mean Regular / Full Time Degree in Engineering / Technology acquired from recognized Universities /Institutions in the Country under the 10+2+4 (10+3+3 in case of lateral entry to Engineering Courses), in the Disciplines / eligible Branches of Engineering, as indicated below:

| Post Name             | Disciplines      | Eligible Branches of Engineering                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
